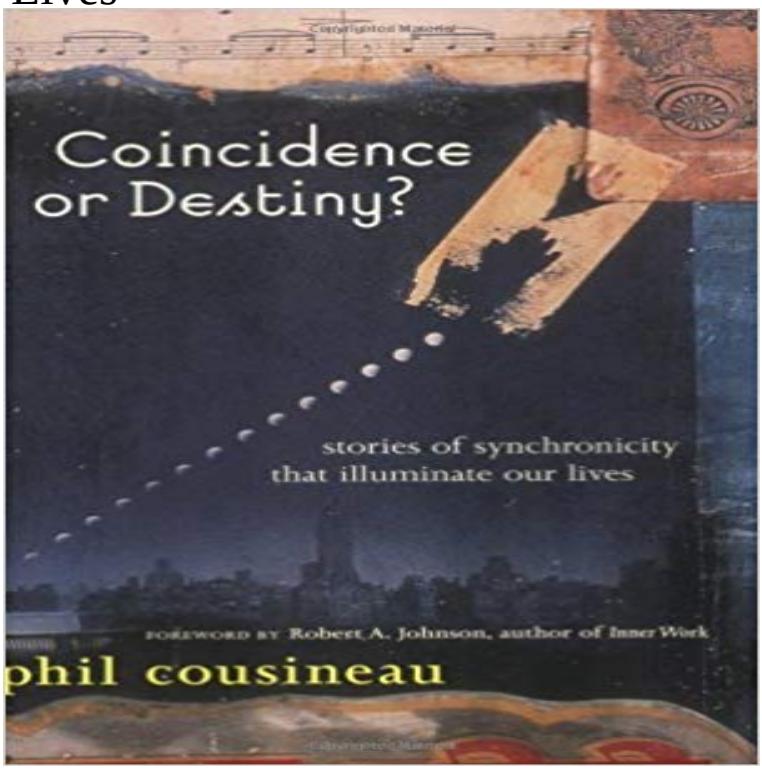
Coincidence or Destiny?: Stories of Synchoronicity That Illuminate Our Lives



The pricking anticipation of a phone call seconds before ringing, the premonition dream of birth exactly nine months before, the chance meeting that opens a new career path, the eerie realization of a loved ones death half a world away ... From Jung to Einstein, across boundaries of culture and time, people have recognized the potential for synchronicity to reveal a hidden order to seeming random events, and to offer a glimpse of ones destiny.In Coincidence or Destiny?, best-selling author Phil Cousineau shares more than eighty stories of coincidence, some simple, and some so extraordinary they challenge our belief system. Coincidence or Destiny? threads together what the author calls sly winks of fate from ordinary individuals around the world, to well-known scholars such as Larry Dossey and Huston Smith to famous movies such as Casablanca, each story demonstrates how meaningful coincidences can profoundly change and guide peoples lives.
