[Siren Classic ManLove: Erotic Alternative Romance, M/M, HEA] Orphaned at age eight and raised by a homophobic uncle, Chaz Josephs sexuality has been asleep most of his life. Sully knows immediately that Chaz is the answer to his middle of the night prayers for a man of his own. When the man admits to being a virgin in all things gay, Sully agrees to tutor him, to their mutual joy and satisfaction. Before they get as deeply involved as Sully would like, a major preseason hurricane turns in their direction and Chazs uncle returns early, causing major problems. Can Chaz find the courage to admit hes gay? Can Sully be patient when all he wants is to snatch Chaz up and love him to death? Will Chaz be able to fix the plumbing? ** A Siren Erotic Romance
