

Saved By The Bear: BBW Billionaire Bear Shifter Romance Standalone (Billionaire Bear Shifters Book 3)

One billionaire alpha werebear and one BBW in hiding...and in heat. Tilly Raines is making her escape from the Nightshade pack. The werecoyotes have never truly accepted her into the pack, and she knows that they will throw her to the wolves, literally, at the first opportunity. She runs, like hell she does, straight into the path of a speeding Porsche... Jack Lawson is a billionaire and the third-in-command in the Silvertip Clan of powerful bear shifters. His car and his life spin to a screeching halt when a werecoyote hurtles out of nowhere and throws herself in his path. Jack never thought he'd find his true mate, and he definitely never expected his mate to be half human, half coyote, and all lush, perfect curves. He has found her, and he will never let anything happen to her. But with danger snapping and snarling at their heels, can Jack win Tilly's trust and save her from the dark forces threatening to destroy her and tear them apart?
