

The Italian Volume 2 of 3 The Confessional of the Black Penitents: A Romance: [EasyRead Super Large 20pt Edition]

One of the best gothic romances ever written. A compelling tale of Vivaldi and Elena young lovers committed to their love despite the difference between their social status. Along with other hurdles, they also have to face the venomous scorn of Vivaldi's rich and manipulative mother. The Italian, Radcliffe's last novel, showcases the author's rare psychological insight.
