

A Taste For Scandal: A Sealed With a Kiss Novel

A TEMPTING DIVERSION Things have always fallen into place for Richard Moore, Earl of Raleigh. His good looks, abundance of charm, and the small matter of being heir to a marquise make him quite the catch. So when a delectable young woman wants nothing to do with him, he can't help but seize the irresistible challenge. AN UNLIKELY COURTSHIP Jane Bunting knows all about responsibility she has managed to support herself and her brother with their bakery but she knows nothing of excitement or passion. When dashing Lord Raleigh crosses the threshold of her shop, she has no idea of the potential danger to her reputation or to her heart. AN IMPOSSIBLE MATCH Neither imagined things would go so far until the night their worlds collide, irrevocably changing both their lives. But when duty calls for Richard, and with everything Jane's worked for suddenly at stake, will their taste for scandal be their downfall?
