

Sweet Cinderella: A Christmas Novella (The Klaus Brothers) (Volume 4)

Just one night. Hannah De Luca Andersen has been battered by the worst year ever, but even that can't squash her love of the holiday season. She has one night to forget life's hardships and enjoy the magic of an elegant Christmas gala. If she's really lucky, maybe a handsome prince will ask her to dance. Gregor Klaus, Director of Finance for Klaus Enterprises, has completely lost his Christmas spirit. One look at Hannah thaws his icy demeanor and gives him a new sense of purpose. If he can only figure out the key to Hannah's heart, he might have the best Christmas of his life. But one night isn't enough for Gregor Klaus. He won't be satisfied with anything less than forever. Sweet Cinderella is a 28,000-word holiday novella, part four of the Klaus Brothers Series. It takes place at the same time as Sweet Adventure.
