

Love And Fire (BWWM Dragon Shifter Romance Book 1)

... now fans of the vampire romance niche are picking up dragon romance books, with Love And Fire being a firm fan favorite. A update and re-release of the classic Loves Fire book, the first in a trilogy. In a world where dragons are few and far between, those with the ability to shape shift take full advantage. People are fascinated by dragon shifters, making sponsorship deals and big checks readily available to any who decide to share their talent with the world. Maia however, a woman with the shifting gene, decides not to take this path and instead lives a human life. When another dragon is in life threatening danger from poachers however, Maia cant help but shift and intervene. The end result? Saving Anthony, one of the most handsome dragons shes ever seen, but being recorded in her dragon form doing so. What impact will this recording have on her life? Join Maia and Anthony as they get to know each other intimately, and deal with the aftermath of being recorded. A hot BWWM dragon shifter romance by Esther Banks. This paranormal romance book contains scenes of a sexual nature, so please only buy if youre over 18. An update and re-release of Loves Fire, and the first in a three part series.
