

An Illicit Engagement

In the spirit of Georgette Heyer, this delightful Regency romp offers a humorous and heartwarming tale. The whole series was freaking adorable and fun. Shari, the Delighted Reader Lord Lucas Willoughby earned his moniker as the Matchmaking Baron after his six engagements ended with each lady happily wed to someone else. He swears off marriage proposals, until his headstrong neighbor proposes something else entirely. Chastity Drummond has her sights set on a man who barely sees her as a woman, much less a potential wife. She can't seem to get him on bended knee, but knows an engagement to the Matchmaking Baron will turn his head. Lucas and Chastity's charade takes on a life of its own. As feigned attraction becomes real, they wonder if they might already be perfectly matched. Their illicit engagement will inevitably end in marriage but to whom? * * * ABOUT THE GENTLEMEN NEXT DOOR SERIES The complete series of novellas is available now! Don't miss The Gentlemen Next Door, because sometimes a lady in need of love need look no further than next door.
