

Yeah YOU - 5 Easy Steps for Reaching Your Potential & Bursting on the Scene (The Absolute Beginners Guide to YOU Book 1)

In Yeah YOU! bestselling author Greg Perry teaches you 5 easy steps for reaching your potential and bursting on the scene that you've never read or seen before. His unique perspective and insightful observations crack the code for YOU can be a higher achiever. In Yeah YOU! you'll discover: Learn about the Generic YOU and why it's holding you back from the life you want! The ABCs of failure and the blueprint for avoiding it! What you can learn from popular brands like Coca Cola, McDonalds, and Walmart that will make you stand out from the crowd! How to use something so powerful inside of you that it acts like a gravitational pull to draw others in! What your highest calling in life is (no, it's not what you're thinking, it's the same for everyone) and how to use it to become wealthy and powerful! Why the psycho-babble of most self-help books will keep you down! What China and the victim mentality have in common and what it means for you! Why Walmart succeeds (no, not because of low prices) and how you can copy them to better your life immediately! The true reason why focusing solely on making more money is a surefire recipe for failure! Why I'm a mystery shopper (no, it's not for the little bit of money I receive) and why you should consider doing it yourself in order to build a secret skill few people have! And so much more! YOU have a choice right this minute. Either you take a step forward or you hide in the silenced majority of mediocrity and averageness and never truly reach your full potential. Waste your life like most everyone else... OR... rise above everyone and be the great person you know you can be. The choice is yours. You're never too wrong to start doing right.

Research Methods: The Basics The nightlife is all centred in one place, all within easy walking distance from another, Don't panic if you lose your friends, the scene is small and you're bound to find getting anywhere near busy until after

midnight, or around 2 in the morning. Most of these bars close around 5 in the morning, although if you're lucky, you can stay open until midnight.
