

In His Power (Beyond Darkness Book 1)

When something happens at one of Victor's theme parks, a side business he has as a cover up, he meets a woman who might change his life forever. But not before he can change hers. A life-changing event shatters her world, and losing faith in the police, she accepts Victor's help, with his not so ethical ways. It might take a bad man to take down bad people. Will that make Victor a good man or just a man who has finally found love. There is light and darkness in all, but which one will he become? Will the light of love make him into the man he supposed to be? Only time will tell!
