

Breakaway Hearts (The Kelly Brothers, Book 2)

Can he melt her frozen heart? Hockey star Ben Kelly has retreated to his mountain cabin in the ski town of Cascade, BC, to recuperate from a season-ending knee injury and contemplate his future in the NHL. He never expects to run into the one woman who got away. Nine years may have passed, but nothing has dulled the explosive chemistry between them. Now he wants more than just one night. Hailey Eriksson had Olympic-sized dreams until an accidental pregnancy from a one-night stand halted her ambitions. Her life was shattered when her son died. Nothing will keep her from fulfilling her promise to him to make the Olympic team, especially not the charming Ben Kelly. Unfortunately, he's out to sweep her off her feet this time, and she finds him harder and harder to resist with each passionate kiss. But when he learns about the child he never knew, will their rekindled romance be on thin ice?

Warning: Contains two hockey stars with ice in their blood, a hero who is willing to battle his fears for a second chance, a heroine with a mean slap shot who lays it on the line in a bet, a small town full of busybodies, and a meatloaf that should be served with a four alarm warning. This story may also bring tears to your eyes (and not just because of Cindys cooking).
