

## Darwins Wink: A Novel of Nature and Love

A love story, a war story, an ecological adventure, a biological poem, and a treatise on the fragility of life--Darwins Wink has it all. The writing is so incantory that it almost floats off the page. In Fran, Alison Anderson has created a strong, flawed, and utterly believable heroine.... Like the elusive, bejeweled mourning bird it celebrates, this book will waken its readers to unexpected wonders. A beautiful book. I loved it.- Molly Giles, author of Iron Shoes  
The author of the critically acclaimed Amelia Earhart novel Hidden Latitudes offers a beautifully crafted story about two naturalists, both damaged by ghosts from the past, who find love as they work to save a rare bird species off the coast of Mauritius--and fend off a powerful townsman who is threatened by their presence.
