

## A.G.I.L.E. L.E.A.D.E.R.S.H.I.P. with a G.R.I.P.

An enlightening journey from being an at-risk youth [statistic] shinning shoes, or Street hustler, to becoming a global scholar-practitioner, or Strategic hustler, using the books title to articulate the world-class leadership behaviors and management practices learned along the way. The story educates, inspires, and provides valuable information to help anybody springboard their dreams into their reality. The theme of the book is based on Dr. Harpers conviction that Leaders are born to be made. The excellent FIT of knowledge on leadership and management, real-life personal experiences, and conscientious learning makes the book unique because it reflects his life journey from despair to heights of professional riches, real life application of leadership and management knowledge and research-based personal learning in career advancements, and experiences. The book does a good job using creative acronyms to convey lessons and ideas about leadership and management. Dr. Harper does a skillful job weaving stories from his and others personal and professional experiences into the qualities represented by each letter in the titles acronym, A.G.I.L.E. L.E.A.D.E.R.S.H.I.P. with a G.R.I.P. The sports analogies and illustrations that were frequently used were among the best; they were well-chosen and should have wide appeal and a relatable quality for a large number of users.
