

The Official Essex Sisters Companion Guide

New York Times bestselling author Eloisa James delivers a fascinating behind-the-scenes look in the Essex Sisters world, along with a brand-new short story in the series. This is a book no Eloisa James fan should miss! Eloisa revisits the scintillating world of the Essex Sisters with *A Midsummer Nights Disgrace*, a new story featuring a young lady, Cece, who would rather ruin her own reputation than endure further speculation about whether her children will be silly, like her brother, Billy. Happily for fans of *Pleasure for Pleasure*, Cece's best friend is Josie, Countess of Mayne! Just as exciting, the Companion includes not only Eloisa's original notes about each book and her extra chapters, but a 170-page alternate ending to *Kiss Me, Annabel*. Eloisa discarded this shockingly different plot after writing one draft, and the published novel went in an entirely new direction. Make up your own mind about which is better: Eloisa's original, or the final book! Super fan Jody Gayle's engaging guide includes essays about fascinating historical details, including period fashion designs. Explore the world of horse racing and tour the London theater scene. Delve into the rich history and deep literary tradition that makes Eloisa one of the top writers of historical romance. The Companion also gives you a sneak peek at Eloisa's newest full-length novella, *A Gentleman Never Tells*, which springs from the world of the Essex Sisters! What will happen when one of the men who ruined an heiress debut by labeling her a Woolly Breeder (and Josie Essex a Scottish Sausage) decides that it's time to make amends?
