

A Highland Sorcery Christmas

Alexander is so close to weakening the monsters who have replaced humans at the top of the food chain. But when he gets near one of the beasts to test his formula, the monster takes a bite out of him and mentally downloads everything Alexander knows. Now it's up to his family to fight for his life in the past and the future if they are to save him and spare the world. Not exactly your usual holiday get together. Celebrate the season Highlander style.
