

Dark Wild Night (Wild Seasons)

WHAT HAPPENS IN VEGAS STAYS IN VEGAS. BUT WHAT DIDNT HAPPEN IN VEGAS SEEMS TO FOLLOW THEM EVERYWHERE-Book Three in the sexy, fun New York Times bestselling Wild Seasons series that began with Sweet Filthy Boy (the Romantic Times Book of the Year) and Dirty Rowdy Thing. Lola and Oliver like to congratulate themselves on having the good sense not to consummate their drunken Las Vegas marriage. If theyd doubled-down on that mistake, their Just Friends situation might not be half as great as it is now. ...Or so goes the official line. In reality, Lolas wanted Oliver since day one-and over time has only fallen harder for his sexy Aussie accent and easygoing ability to take her as she comes. More at home in her studio than in baring herself to people, Lolas instinctive comfort around Oliver nearly seems too good to be true. So why ruin a good thing? Even as geek girls fawn over him, Oliver cant get his mind off what he didnt do with Lola when he had the chance. He knows what he wants with her now...and its far outside the friend zone. When Lolas graphic novel starts getting national acclaim-and is then fast-tracked for a major motion picture-Oliver steps up to be there for her whenever she needs him. After all, shes not the kind of girl who likes all that attention, but maybe shes the kind wholl eventually like him. Sometimes seeing whats right in front of us takes a great leap of faith. And sometimes a dark wild night in Vegas isnt just the end of a day, but the beginning of a bright new life... Normal 0 false false false EN-US JA X-NONE
