

## Darkfever (Fever Series, Book 1)

MacKayla Lanes life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, shes your perfectly ordinary twenty-first-century woman. Or so she thinksuntil something extraordinary happens. When her sister is murdered, leaving a single clue to her deatha cryptic message on Macs cell phoneMac journeys to Ireland in search of answers. The quest to find her sisters killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possesseda gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. As Mac delves deeper into the mystery of her sisters death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlanean alpha Fae who makes sex an addiction for human women closes in on her. And as the boundary between worlds begins to crumble, Macs true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Bookbecause whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands.From the Hardcover edition.
