

## Love Formulas The Works!

Love Formulas removes the mysteries from relationships, shows how to find that fulfilling relationship, describes the karma of relationships, and includes countless situations left out of other synastry books. Several other astrologers have called this book the best astrology book I ever read and also a classic in synastry astrology.

So stay tuned for more, and well be making a formal announcement about how it works next week. In Excel, the Function Library can be found on the Formulas tab.
