

Riding with Heaven

When his flight home for his brother's birthday is canceled due to a Category 5 hurricane on the Eastern seaboard, art major Evan McGrath places an ad on Craigslist for a rideshare from Colorado to South Carolina. He hadn't expected an immediate reply, nor had he expected to fall head-over-heels for the handsome and mysterious driver, Lucas Briscoe. As the miles disappear behind them, Evan grows more and more attracted to the enigmatic Lucas, and the desire is mutual. The only problem is that a serial killer dubbed The Domino Slasher has just escaped a federal prison transfer, and funny little coincidences keep pointing toward Lucas--who looks like Heaven incarnate, but who could be the Devil in disguise. 2012 Rainbow Awards, Honorable Mention - Best Gay Mystery/Thriller (Note: This title was previously published by Loose Id. Only the cover has changed from the original version.)
