

Dance of the Flame

SHE WAS THE MISTRESS OF HIS DESTINY...HE WAS THE MASTER OF HER DESIRE!THE HEALERExiled to a barren wasteland, Sera would do anything to regain the kingdom that was her birthright. But the hard-eyed warrior she saved from death was the last companion she wanted for the long journey to her homeland.THE WARRIORTo the world, he was known as Deaths Shadowas much a beast of battle as the mighty warhorse he rode. But to the flame-haired healer, his forceful arms offered a warm haven, and he swore his throbbing strength would bring her nothing but pleasure.DANCE OF THE FLAMESera and Tolin held in their hands the fate of two feuding houses with an ancient history of bloodshed and betrayal. But no matter what the age-old prophecy foretold, the sparks between them would not be denied, even if their fiery union consumed them both.
