Hollie has no regrets until her seemingly simple life is shattered when her husband ask for a divorce, citing his love for another women. With her world shattered she reaches out to her best friends. Her friends are just as heartbroken at the news and in a bid to cheer her up, they decide to take her to Las Vegas to decompress. Hollie reluctantly agrees to go but doesnt plan to go to wild on the trip. While on the trip Hollie eventually starts to let go of her deep seeded inhibitions and lives in the moment. The group of friends quickly find themselves in the midst of sex, parties and a good time. The journey turns into a saga of self-discovery for Hollie, as she questions her life choices and starts to regain the lost vigor of her early women hood. Upon Hollies return home from the trip she learns that not all things that happen in Vegas stay in Vegas.Sample Of Whats Inside!Continuing to simply listen, I let him talk. I didnt much care what he was saying, the words only really penetrated on a subconscious level anyway. All I wanted was to hear his voice. It was ridiculous, I knew that. I had known him for a short time, I knew virtually nothing about him. Yet, the soft, low rumble of his voice was enough to make me feel safe. It was enough to make me believe that everything would be all right with the world, even when I was scared witless that nothing would ever be all right again.Now scroll up and click BUY to read the rest of Hollies incredible journey!Authors Other Books You Will Enjoy~ Escape To Vegas ~~ Escape To Vegas: 2 ~~ Escape To Vegas: 3 ~~ Escape To Vegas: 1, 2 & 3 (Box Set) ~~ Sex With The Lawyer ~~ Sex With The Lawyer: 2 ~~ Sex With The Lawyer: 3 ~~ Sex With The Lawyer: 1, 2 & 3 (Box Set)
