

Just One Taste (Coles Family Series Book 4)

Every woman on Key West is swooning over newcomer Chase Buchanan. All except bakery owner Nikita Coles. Bad enough that he's bought the building next door, blocking Nikita's plans to expand her business. Worse, he works for a big oil company. She can't trust the man or his motivations, even if he does look good enough to eat. Convincing Nikita to sell her property will be a challenge, but Chase is ready for it. The Coles family has a rich history on Key West, but the Buchanans never give up on what they want. Seduction begins as a business strategy, and quickly becomes the most pleasurable experience of Chase's life. Yet winning the battle of wills could mean losing the love he never expected to find.
