

## How to be happy: The 7 rules you need to know

How to be happy The 7 rules you need to know I want to thank you and congratulate you for downloading the book, How to be happy. This book contains proven steps and strategies on how to be happy and the seven rules you need to know about happiness. Happiness is basically returning to our real nature and when we understand this, we will know a definitive motivation behind life. Happiness is a perspective. It is an average feeling made of adoration, inward peace, delight, and satisfaction. How happy would we be able to be relies on how we decide to act and think. It is an art that can be developed by concentrating on little things in life which are frequently disregarded, but convey a considerable measure of importance. We all strive and spend our whole lives for attaining to achievement, cash, profession and riches keeping in mind the end goal to accomplish Happiness. We continue striving without granting the seeds of Happiness - wellbeing, relationship, genuine feelings of serenity, appreciation, kindness, love, confidence et cetera. We have to be mindful, we have to choose happiness! In this book you will learn how the below seven lists will make you live happier: People Practicing Gratitude Exercise Giving Stop Worrying Always Forgive Smile Thanks again for downloading this book, I hope you enjoy it!
