

Immortal Pair: Touch of the Irish: Part 3 (Volume 1)

Eros third victim, from his drunken folly on Valentines Day, is in for a few changes to her life. There is a whole new world she is about to enter, with a little help from two Alpha Immortals who want her for their own. Roarke is a leprechaun who has been infected with the Sylph virus. Under the protection of his friend and lover, Kale, the guardian of the West, they form a plan to free the Sylphs from their death sentence handed down from the Gods, and remove the Gods from mucking up their lives. But, first they must bind the woman that holds all of their destinies in the palm of her hand, without her even knowing it. Marissa Garcia is about to be seduced into the world of Fey majick. Will she meet her destiny and become the queen of a new species, or will she falter and turn her back on the Immortal Pair who are bound to love only her as their mate. Join Roarke, Kale and Marissa, along with their friends, rise up against the Gods of Knockaine in their fight for the right to live, love, and be recognized as a value to the Fey World. Watch as old lies are uncovered and more friends join their fight. What could possibly go wrong this time?
