

My Lairds Castle (Volume 1)

In the aftermath of Culloden, Colin Anderson, a Highlander by birth, finds himself torn between his late fathers allegiance to the Crown and the cause of the Jacobites, his clansmen. Due to his fathers choices, Colin is still laird of his castle, but at what cost? Beth Pratt never suspected when she joined a bus tour of the Highlands in the twenty-first century that she would find herself catapulted through time to the eighteenth century. She never imagined she too would find herself caught up in the conflict that irrevocably ended the Highlander way of life. But when the laird makes a fateful decision that threatens to destroy everything he holds dear, can Beth save him in time?
