

Friends With Partial Benefits (Friends With Benefits Book 1)

This book hooked me from the start. Not only is it funny, hot and a great read... its funny, hot and a great read. Why arent you reading it yet?! Tara Sivec - USA Today best-selling author of Seduction and Snacks When you purchase this book, make sure youre well rested! You wont want to put it down and will be giggling long into the night! Angela McLaurin - The Indie Bookshelf Damn Mr. Young, youre funny. Really funny. Laugh-out-loud funny. And you write about sexy time with skill. Well done, mister. Scandal - Scandalicious Book Reviews I love funny romances and had a great time reading this one. It was a perfect break from the overly intense YAs and the overly hot billionaire alphas. Ana - Anas Attic Book Blog Find out what the hell Partial Benefits really are by grabbing the FREE first book in the hilarious and sexy series that has been downloaded 1,500,000 times! Disillusioned divorcee and best-selling romance novelist Jillian Grayson suddenly cant write a chapter without her hunky male heartthrob suffering erectile dysfunction, an STD, or even worse. Brian Nash is great at tennis, but unlucky in love...and also the roommate and best friend of Jillians son, Rob. When Rob brings Brian home for Spring Break, and Brian meets the surprisingly young and tennis passionate Jillian, their shared interest quickly develops into an intense mutual attraction. Will this unlikely pair give in to their sizzling attraction and become friends with benefits, or will they discover all of it is a really bad idea? NOTE: Recommended for readers 18+. This book contains explicit language, sexual content, slightly inappropriate humor and is recommended for mature audiences who like that sort of thing. This book is also a less explicit version of Ian Daltons novel Inappropriate Thoughts. For more information, please see Luke Youngs Amazon author page.
