

Liam (Destiny in Deadwood) (Volume 2)

All Liam Anderson wanted after the War Between the States, was a little peace. After seventeen years in the army, hes tired of fighting and killing. Having lost his beloved wife to influenza, hes tired of hurting. And seeing his baby brother framed for murder, hes tired of injustice. He left everything behind to help his brothers escape, packed up his children and possessions, and took them all to a gold claim in Deadwood. Miss Eleanor Smith is a thirty-two year-old spinster. She gave up her dream of a home and family a long time ago. Instead, she has spent her life traveling the world, ministering to the weak, the injured, the poor, and the forgotten, following her preacher father from one hell hole to another. From what shes seen of men and the world, shes better off taking care of herself. And she gets along just fine, until she literally falls into Liams arms, gets in the middle of a fight that isnt hers, and becomes a pawn for an enemys revenge. Deadwood was supposed to be a fresh start for Liam Anderson and his younger brothers, but trouble followed him and his children. And when Eleanor disappears, only Liam can rescue her. The headstrong, independent woman awoke his dead passion, but refused to surrender to his touch. Can he convince her that merely surviving isnt enough? Despite his sins, hes the only man who can save her, and shes the only woman strong enough to heal his broken heart.
