

## Rogue (The Cat Star Chronicles Book 3)

No woman has ever tamed him before... Does she even stand a chance? Enslaved for years, Tychar belongs to the Queen of Darconia. His feline gene gives him remarkable sexual powers and every female on the planet is in love with him. Then, the Queen gives him to Kyra. Or will she be just another one of his conquests? Why would he choose the modest piano teacher? Yet the two are drawn to each other with a powerful, magnetic attraction unlike any he's felt before... Then the palace is attacked in a coup, and Tychar has to choose between freedom and love. The third book in wildly popular Cat Star Chronicles, a paranormal romance series featuring heroes with a feline gene that gives them remarkable sexual powers.
