

Hidden Letters

Hidden Letters , written by Flip Slier to his parents from a forced labor camp in German-occupied Holland, were found 60 years after World War II. The letters are fastidiously annotated and illustrated with over 300 photographs, newspaper clippings, and original documents issued by the Nazi authorities, many never before published. This book is more than the story of one young man and his extended family; it is an important addition to the history of the Holocaust in Holland and the history of World War II. It is considered to be one of the most valuable contemporary sources on Jewish Dutch life during World War II. Adult. IN STOCK. PLEASE CALL 718-784-9112.
