

Shes Not You (Elvis Series) (Volume 1)

A little girl, a puppy and sweet romance - does it get any better? Sick and alone with her three-year-old daughter at Christmastime, Belle Foster needs help. When her neighbors brother gets involved, she welcomes the soft-spoken good-looker into her world. Rescuing her kidnapped daughter isnt part of the deal, but any man who cares that much about a strangers baby and is willing to babysit his sisters menagerie of pets is a guy she wants to get to know better. Jesse has only loved one woman in his life. Years ago, she left him with a broken heart, a crippling dependency and too many poignant memories. No one can replace her. No other female has ever come close. So why does this loving mom continually sneak into his head? And why cant he shake her loose? One needy girl in his life, a sister who expects him to live on a pedestal, is enough for any man.
