

Where the Heart is (Interracial with Baby) (BWWM)

A Sexy BWWM Interracial Romance
Jamie Parks and Simon Blake were childhood friends. They grew up together and were inseparable from the time they were in diapers until it was time to leave for college. Simon moved to the city, hoping to realize his dream of being a successful doctor, while Jamie stayed in their little no-name town, going to community college and taking care of her sick mother. And though they had promised to keep in touch so nothing would chance between them, their last night together is the last night they see each other for a long time. Its been seven years since then, and neither of them can honestly say that they are completely happy with the way their lives have turned out. But when Simon comes back home for his first visit in seven years, Jamie's feelings for him come back with a vengeance, despite how angry she is at him for essentially cutting her out of his life. She knows that its not going to go anywhere, not when hes got money and new friends and a fancy life a couple hundred miles away, but for two weeks, she wants to pretend like they have a chance. When a drunken accident results in more than either of them were bargaining for, they will be forced to examine their relationship and see whats there to salvage.
