

The Alpha Takes Tameka (BWWM Interracial Shifter Romance)

His golden eyes roamed over my caramel skin, his hand stroking his massive pale shaft... I was just trying to make some money. Ive been grinding at this babysitting gig for years now. I figured now that Im 20, maybe I can move on to something more professional. Then everything went to hell. Babysitting for the gorgeous Karl Hampton one night, the news came on. Something about a wolf running around our quiet suburb. Things only got more crazy from there. By the end I was used, abused, and loved every rough minute of it. Ill never be the same again, and I wouldnt change a thing. You must be over 18 years old to read! Over 6,400 words of a gorgeous black woman being taken roughly by a white werewolf stud.
