

## Gay Knights and Horny Heroes: Tales from the Court of King Arthur

Gwene-who? The timeless tales of King Arthur have been told throughout the ages as sterling examples of bravery, manhood, and heart-searing romance. But really, we know its all about the men. Here we have a re-imagined landscape of Arthurian love stories, a place in which contests of strength become contests of foreplay, a knights favored squire may be his equally favored bedmate, and Lancelot is given his rightful place in history: at Arthurs side and in his bed, for as long as the two shall live. Come, gentle readers, and venture into the world of yore, where men were men, and so are their lovers, and every warrior loves a good joust! Welcome to the world of Gay Knights and Horny HeroesGod save the King! (And the man at his side!)
