

## Just in Time

Can time really heal all wounds? Carly hopes so. Her beloved husband and daughter died on Christmas day seven years ago. Her only reason for living is the ability to go back in time--virtually, and relive a precious moment. Carly chooses that Christmas Day, over and over again, hoping desperately that she can change history. When she's approached with a dangerous proposition that might give her a chance to save her family, does she dare to take it--even if it kills her? Mallory Kane is a multi-published, award-winning nationally bestselling author of 25 books for Harlequin Intrigue. She also publishes paranormal romance for ImaJinn Books.
