DESCRIPTION: Sam (Samantha) Sullivan has had a perfect life. On the outside, she is the girl who had it all... top grades, a scholarship to her chosen college, a perfect beautiful family consisting of a well-respected father and model mother, and an exquisite beauty which seems to draw guys to her like bees to honey. It all comes crumbling down... When she meets billionaire bad boy Collins McGregor, who pulled himself out of the streets and became a self-made media mogul, an irresistible attraction has her breaking all the rules. But one bad boy is not enough to take her down...it was when she became a peer counselor at the little non-profit young adult crisis center, helping teens to new adults, help deal with issues from dating and relationships to abuse, Sam falls hard...for the very troubled Dagers, who pulls her into a world...dark, decadent, and dangerously sexy. With one twist after another, when the past comes to confront the present, and the present threatens the future; Collins, Dagers, and Sams lives collide in such an explosive way, that there is no going back. Only forward on a path towards freedom...from the past and from their demons. There will be no regrets.
