KINCAIDS HOPE \*Same book ~ different cover!\* Beth Kincaid left her hot temper and unhappy childhood behind and created a life in the city free from untidy emotionalism, but even a tidy life has danger, especially when it falls apart. In the midst of personal disasters, Beth is called back to her hometown of Preston, a small town in southwestern Virginia, to settle her guardians estate. There, she runs smack into the mess shed left behind a decade earlier: her alcoholic father, the long-ago sweetheart, Michael, and the poor opinion of almost everyone in town. As she sorts through her guardians possessions, Beth discovers that the woman who saved her and raised her had secrets, and the truths revealed begin to chip away at her self-imposed control. Michael is warmly attentive and Stephen, her ex-fiance, follows her to Preston to win her back, but it is the man she doesnt know who could forever end Beths chance to build a better, truer life.
