

A Last Kiss Goodbye (Lost For Love Book 1)

Lucy has a secret. One she never meant to keep. During the week of her engagement party, making out on the lawn with Alexander, her secret appears in the form of a vision. Her visions are always connected to death. Either someone has died or someone will die. Except she only sees pieces of the story. After years of being told to suppress her visions and not tell anyone, Lucy struggles with the deception but fears what Alexander will think. In the days leading up to the party, she has a choice. Tell the truth or keep up the deception. But when she finally decides, will it be too late? This is a 10,000 word clean romantic short story. It can be read as a stand alone or before or after reading the full novel All That We Have Lost.
