

Wit of the Staircase: A Sweet Gay Regency Romance

A love that cannot be acknowledged... Jonathan Redding is a British soldier in Austria, fighting Napoleons forces when circumstances introduce him to the most attractive man he has ever seen. Having fled from his home when his lover betrayed him to his father, Jonathan knows that he cannot allow Major Ainsley to know how his feelings. He spends his life both trying to hide his love for his dearest friend while at the same time doing everything within his power to keep his friend by his side. A friendship that cannot be denied. Major Stewart Ainsley, Earl of Durnley, does not know why he helps out the young ensign who is thrust into his tent one evening, but he finds himself enamored with the unorthodox young man. Their friendship continues until he is forced to make a decision; does he choose to pursue a path of marriage and children, or does he spend the rest of his life with his best friend? And if he chooses his friend, is he willing to move their relationship beyond friendship?
