

Perfectly Satisfied (Satisfaction Book 2)

The sequel to Satisfaction Guaranteed Regina Baker has loved Sam Hyatt since the third grade, but Sam has an ideal woman in mind, and Reggie doesn't even come close. As the heir to a sizable fortune, Sam has a responsibility to marry well. His wife needs to be well bred, well educated, and well heeled. As a poor preacher's daughter with a landscaping business that barely pays the bills, Reggie feels like a mangy mutt compared to Sam's current girlfriend, who has a pedigree a mile long. Their matchmaking friends, Cara and Gray, arrange for Sam and Reggie to join them on a two-week cruise, where Sam will have a chance to see what he's been missing without the society trappings he's normally surrounded by, and Reggie will have two weeks to win Sam's heart. 21,700 words
