

Lil Mama From The Projects: Love In The Ghetto (Lil Mama In The Projects Book 1)

Cherish is a sweet girl that was handed a raw deal in life. Her mother is a sick and abusive woman that always saw Cherish as the mistake that ruined her life. An unexpected incident nearly costs Cherish everything. However, the unfortunate tragedy of a loved one leads her right into the arms of a new man that could end up being good for the soul. Mega is young, handsome and seems to have it all. He has moved across the hall from Cherish, the beautiful yet quiet and battered young woman. Mega witnesses the abuse she has suffered at the hands of her mother and wants to save her, but growing up in the hood has taught him to mind his business, and to turn a blind eye to things that don't concern him. Will Mega save Cherish? Or, will his hood nature cause him to turn a blind eye to her obvious cry for help? If so, can he save her in time? Or, will the abuse and neglect cost Cherish her life?
