

## Mistress by Marriage (Courtesan Court)

Too late for cold feet Baron Edward Christie prided himself on his reputation for even temperament and reserve. That was before he met Caroline Parker. Wedding a scandalous beauty by special license days after they met did not inspire respect for his sangfroid. Moving her to a notorious lovebirds nest as punishment for her flighty nature was perhaps also a blow. And of course talk has gotten out of his irresistible clandestine visits. Christie must put his wife aside if only he can get her out of his blood first. Too hot to refuse. . . Caroline Parker was prepared to hear the worst: that her husband had determined to divorce her, spare them both the torture of passion they can neither tame nor escape. But his plan is wicked than any she's ever heard. Life as his wife is suffocating. But she cannot resist becoming her own husband's mistress. . . A very talented debut author.
