

MatchDotBomb: A Midlife Journey through Internet Dating

What happens when you find yourself out there again, after years-or even decades-of being half of a couple? Ask the 89 million adult men and women who are living alone. Or, better yet, follow one woman's true, touching, and hilarious return to singlehood. Filled with unforgettable characters, MatchDotBomb is the thinking woman's Bridget Jones's Diary-and an indispensable guide for smart men who want to know what's really on a woman's mind.
