

The Meaning of Life

What is the meaning of life? Why are we here? Is there a God or isn't there, and if there is a God, what is its nature? Of all the world's religions, which one is the most correct? Is there an afterlife? Are we primarily physical beings or spiritual beings? People have struggled for millennia to tackle these questions. Wars have been fought over them. But as much as these questions cause people to lose their heads (sometimes figuratively, sometimes literally), the bottom line is that these are very practical questions. This book contains the following 6 lengthy articles by Steve Pavlina about the meaning of life: The Meaning of Life Intro, How Shall We Live, Discover Your Purpose, From Purpose to Action, Transitioning Conscious Evolution, Don't be afraid to face who you really are. You're a lot stronger than you realize.
