

Essential Finance Series: Financial Aid for College

Understand and plan your college funding options. Finding money for college doesn't have to be harder than taking the SATs. In *Financial Aid for College*, we've collected the information, sifted out the nonessentials, and organized the rest into short, clear explanations that make sense of the process. This book shows you the formulas followed by people in the know, and breaks them down into manageable parts. Discover the insights and tools to use the financial aid system to your best advantage, with extra pointers to help you avoid pitfalls and keep track of the deadlines. Taking a clear, concise approach to money management, the Dorling Kindersley Essential Finance Series provides a practical and impartial resource to guide you through important financial decisions. Useful questionnaires pinpoint one's financial status while easy-to-use charts and graphs help track cash flow. Cut through the complexities of financial lingo and gain the confidence needed to build real financial security. Learn to live debt free, invest in the stock market, pay for a child's education, or plan for retirement. Filled with practical advice on all aspects of money management, this series offers an excellent foundation for building a personal finance library.
