

A Circle in Time - A Regency Time Travel Romance Novella

Sorcha's life had become tangled beyond all repair. Jealousy, love, and anger had shredded the thin fabric of time, and when Samhain and a full moon combined their powers together, few could stand up against that force. But Sorcha knew she had to try. All she held most dear depended on it. *A Circle in Time* is the third and final novella in the regency time travel romance trilogy. It is 114 pages / 17,000 words. The first two novellas end in cliffhangers, while the third provides a happy ending. The series then will continue in another trilogy - those will be coming out over the coming weeks. These stories are teen-friendly with no explicit language, violence, or intimacy. All proceeds benefit battered women's shelters. Note that for those who prefer reading books in all-in-one form, each trio of novellas will also be compiled as a completed box set once all three are done. It just means you have to be patient and wait for me to finish writing all of them :). For those who prefer to read along as I write, and offer suggestions for me to shape the plot, these novellas are here for your enjoyment! Either way, I'd love to hear your feedback on the storyline and characters.
