

Bark to the Future (An Alpine Grove Romantic Comedy) (Volume 5)

Growing up in the small town of Alpine Grove, Beth Connelly was the weird, shy kid who hid in the back room of her mothers bookstore. But all that study time led to being the class of 1985 valedictorian, a college scholarship, and a dream job offer in Arizona. Ten years later, her life is almost perfect. But not for long. Beth returns to Alpine Grove after an unfortunate series of events, just in time for the 10-year high school reunion she vowed not to attend. But her vow is no match for a sneaky former cheerleader who tricks her into going. While shes there, she runs into the one person she hoped to never see again: Drew Emery. Drew is just as easy to talk to as ever, and maybe she shouldnt have said all those terrible things to him so long ago. But everyone deserves a second chance, right? Note: Bark to the Future is a full-length novel (300 pages/80,000 words) that is Book #5 of the Alpine Grove Romantic Comedies. Its a feel-good novel that appeals to people who enjoy a little light romance and quirky animal stories.
