

Under His Claw (Alphas Book 7)

Traded for a blood debt, in service to a vampire, and loaned to a shifter, Zora never thought to find pleasure. Zora has always felt the stigma of being born to a family tainted by vampire blood. That family legacy becomes vividly real when her great-great grandfather tracks her down and trades her for a blood debt owed to the local vampire king. Zora finds a way to use her particular skill set in the vampire court and her first week goes well, until the vampire king decides she needs the comfort of a warm shifter next to her at night. Dragon shifter Rigeck has come to see the woman his friend wants him to heat up. The shy miss surrounded by salivating potential suitors is just what he's been looking for. Her blood will confirm if his instincts are correct. But first, he'll taste the rest of her, for his own entertainment. Will their one night together be enough to keep him from taking her to his lair, or will instinct win the day?

Alphas Temptation (Bad Boy Alphas, #1) by Renee Rose - Goodreads Given (Dawnclaw Alphas #1) Add this book to your favorite list . However, once the story reached chapter 7, it seemed to progress more fluidly. . somehow today it sounds different as if they place she lives (she cant really call it a home) is under attack. Given is part 1 of the Dawnclaw Alphas serial novella trilogy. Spotlight: Under His Claw (ARE Alphas) by Viola Grace Angels 12 books based on 6 votes: Jumping In by Cardeno C., Alpha, Delta by R.J.
