

Rory (Big Sky Cowboys Book 3)

Marie Malone saw a shooting star in the Montana sky and knows that means she's granted three wishes. She wants her three sons to find true love. Cass Perkins was once engaged to Ryan Malone but after he died trying to save her father from a house fire, she fled to Tacoma, Washington. Three years later, Rory Malone gets a middle of the night phone call informing him that Cass has been the victim of a hit and run driver. What starts out as an innocent visit to cheer her up, turns into a realization that he has always had feelings for Cass and they've never gone away. Cass has got herself into some money trouble and decides to take Rory up on his offer to go back to Montana with him so she can recuperate. Rory hopes she'll fall in love with Timber Creek again and never want to leave. Cass not only realizes that she loves Montana but also Rory Malone. However, will someone from Cass' life in Tacoma put an end to their storybook ending?
