

## Dragon Knights Sword

Duncan Mackay will do anything to lift the curse from his family - even forfeit his own life. But his plans change when he encounters the woman from his dreams, literally. She is from the future, somehow has his lost sword, and can talk to the Dragon that is able to lift his family's curse. Brigid O'Neill has spent her life listening to the mythological legends from Ireland and Scotland. So, when an ancient sword lands at her doorstep and she starts dreaming of a rugged Highlander, she drops everything and takes on a quest that will alter everything she believes. Before their journey ends, not only will Duncan and Brigid battle an ancient curse, they must also find the courage to believe in the destiny that brought them together.
