The Mate Challenge When Emma goes searching for a missing girl, she finds a lot more going on in Blue Creek than even the biggest shifters are aware of. With the help of the least likely person, she'll put herself on the line in order to save the ones she loves. Mason will have to find a way to help Emma or face losing her forever. Sassy in Diapers Karla Wolfe is scared. Motherhood is coming much faster than she can accept. The last thing she wants is to be a replica of her own mother. Will Karla figure out motherhood or will she feel lonelier than ever? Fighting for her Mate With the help of vampires, rogue wolves, and his friends, Caleb will make a stand and finally try to remove the man destroying his pack. Only the strongest will survive. But Ellie isnt about to stand by and let her mate fight alone. When the need arises, shes willing and ready to fight for her mate Warning: If you dont like sex of any kind, these are probably not the books for you. Theres graphic language (yes, they tell their women how they like it), sassy humor (come on, its Milly Taidens books) and women that wont allow a man to browbeat them into doing what they say (unless theyre naked). This omnibus is intended for adults that have no problems with dirty sex, humor and action. If thats you, enjoy!
